

WELCOME TO SEVILLE!!

This packet of information is intended to make your stay as comfortable as possible.

KEYS

I will leave two sets of keys.

CHECK IN AND CHECK OUT

Official Check in time is 1:30 PM.

Check Out time is 11:00 AM. Still sleepy? No problem. You may be able to stay until 4pm for only 30 Euros extra if previously authorized. Check with me the day before your departure to see if this is a possibility.

I will leave a key for the street door next to the street door in this safe.

The code to open the safe is **2017***. **Please close the safe after you get the key.** To close the safe you have to **put the code again**.

When you arrive to the 3 Floor you will find another safe like this with the same code. Inside the safe you will find another set of key.

Leave the keys on the table in the livingroom before leave the apartment your last day.

CONTACT

If you need to speak with me about anything, my telephone number is **+34 695900600**. If I am unable to answer, you can send me a Whatsapp message or SMS, or an email at sevillaoorange@gmail.com

FOR TOMORROW

We try to minimize our environmental impact. The cleanest energy is that not wasted. Please use electricity responsibly. For a correct use of the heat and air conditioning, use only when you are in the room. This type of air conditioning/heating unit work best in small spaces, so please close doors to maximize their efficiency. **It is very important**, for safety reasons, **to turn off appliances while not home**.

The heat and air conditioning units are set to the ideal temperatura. If you need to regulate the temperature, please use only the arrows and do not touch any of the settings.

FOOD AND DRINK

I sent you an email with a google maps link with some of my favorite spots for tapas, drinks and shopping.

Tap water is safe to drink.

DO YOU SMOKE?

No problem, but not inside. It is prohibited in this non-smoking apartment. It takes a long time to get the smell out and this affects incoming guests. We count on your understanding and hope we do not have to charge the 150 Euro fine in case you do decide to smoke inside the apartment.

HOT WATER.

The hot water system is an automatic electric deposit (after the third shower you have to wait around 10 minutes).

NEIGHBORS (VERY IMPORTANT)

In order to respect the neighbors, I request silence after 11:00PM

APPLIANCES

TOASTER, IRON and COFFE MAKER

The toaster, iron and coffe maker (Italian style) are located in the kitchen.

WASHING MACHINE

The washing machine is located in the kitchen. The wash cycle takes **over 60 minutes**. The soap is placed in the drawer in the middle section. 2 is for a prewash, 3 is for washing whites, and 4 is for washing darks. There is a retard security lock on the door, so when the spin cycle finishes, **you must wait a few minutes** before you are able to open the door.

In the entrance to the apartment you will find a key for the rooftop where you can find the place to dry the clothes.

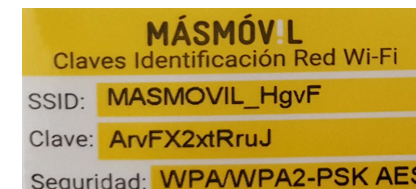

GARBAGE

Before leaving the apartment, please throw your garbage in the appropriate bins on the Street Antonia Diaz next to the Bullring.

AND MOST IMPORTANT OF ALL...

Wi-fi. To enjoy your free wifi, the information is located in a sticker in the back side of the router, in the livingroom.

I wish you a fantastic stay. Anything need improving? Please

let me know. Write me via email: sevillaoorange@gmail.com
